2024 was a year full of projects and achievements, the photos perfectly tell our commitment and passion. Since 1983, we have always worked with the spirit of 'HARAMBEE', which means "let's work together". This motto has guided us in every challenge and has allowed us to achieve significant goals.

Training week on female entrepreneurship. The seminar takes place at the **IKSDP International Scout Centre** in Nyandiwa and is aimed at young women from **Homa Bay county**. The initiative is implemented in collaboration with another international organization

The new school year has begun in Kenya. The **IKSDP school in Nyandiwa** is also welcoming old and new students.

The Plan aims to promote the educational development and general well-being of the youth of the County. The ceremony, organized by the women's representative in parliament, was attended by large representatives of the various communities. During the event, 10 trees were planted in the Centre and 10 tanks for drinking water, 10 wheelchairs for the disabled, waste containers and other personal hygiene material were donated to the communities by the national government.
